• A weightless foam for volumizing lift, and shine that provides moveable, texturizing hold with lasting style memory. • Shake well. Dispense into palm. Rub hands together to disperse. Apply to clean, damp hair. Blow-dry to add volume. Apply to dry hair for a light, textured look.	• Provides continuous lift, fullness and volume to any style while making strands shinier. • Has all-day humidity resistance to keep frizz under control. • Lightly mist all over. Air dry.	• A strong hold gel for control without stiffness, flaking, or crunch. • No flaking. • Apply to damp hair for wet looks or to dry hair for extreme hold.	• Spreads like a cream, texturizes like a paste, and holds like a wax. Never tacky, never sticky, and easily reworkable. • Provides texture, grip + lasting hold. • Work through damp or dry hair for desired look. Rework throughout the day.	• Absorbs oil and instantly refreshes hair, allowing users to go up to 4 days without washing. • Shake well before use. Hold can 10 inches away from head. Spray on roots to ends. Massage into scalp with fingers & brush hair thoroughly until powder is fully removed.	• Combines the ease of use and hold of a hairspray, plus the control + texture of a hair wax. • Adds body and dimension to hairstyles with medium hold and a satin matte finish. • Shake well.
